in Washington, D. C., on Georgia )  
Avenue on the Georgia Avenue-Seventh )  
Street Bus Line, Route 70, D. C. )  
Transit System, Inc. ) WMATC File No. 25

Authority has been requested by D. C. Transit System, Inc., to establish the following bus stops and bus zones:

On Georgia Avenue, N.W.

West side, south of Geranium Street  
East side, south of Geranium Street

The proposed locations of these bus stops and bus zones have been studied by representatives of D. C. Department of Highways and Traffic, D. C. Transit System, Inc., and the Commission's Engineering Department, and all are in agreement that one change should be made in the original petition of D. C. Transit System, Inc., as follows:

The proposed bus stop and 1-bus zone on the east side of Georgia Avenue, south of Geranium Street should be moved to the east side of Georgia Avenue, north of Geranium Street between the driveways of the Esso Service Station in order to take advantage of present No Parking regulations at this location.

It appears that public convenience and necessity require the establishment of these bus stops and bus zones as amended.

THEREFORE, IT IS ORDERED:

- (1) That the following bus stops and bus zones be established:

On Georgia Avenue, N.W.

West side, zone beginning at the south curb of Geranium Street and extending south 119 feet.

On Georgia Avenue, N.W.
